## Spring 2019– Newsletter

Gloria Wright, Locust Grove Resident

### *Say Hello to Gloria Wright*

Her smile said it all when we asked if her new glasses felt right? "I can see everything and without having to take them off to read...that feels more than right!"

Gloria is one of many OCFC patients eligible to receive free glasses and follow-up visits at the Clinic. This year we had 40 happy patients benefiting from the *New Eyes for the Needy* program. Gloria was happy to let us tell her story, as she has expressed her gratitude to the Doctors and staff for help not only with her glasses but with her primary care services at the Clinic. She mentioned that she also does not hesitate to pray for everyone at the OCFC and her church knows how grateful she is for the Clinic and it's help with managing her health care!

### *OCFC receives funding for outreach to uninsured residents...*

This past January, the Clinic received a grant from the Virginia Association of Free and Charitable Clinics (VAFCC) specifically to provide outreach to residents who are uninsured and in need of health care! With funding, the Clinic initiated an outreach campaign to make sure residents know that health care is available at the Clinic. Postcards went out to low income households throughout the county, ads are running in the OC Review, OC Resource Guide, Lake Currents and the OC Magazine. You'll see a Clinic table at Resource fairs and other initiatives this summer. Most importantly though, *OCFC will assure that quality healthcare is accessible to all low income residents in our community who are not able to afford insurance.* We've had 95 new patients enroll since January!

# THANK YOU FOR SHARING YOUR HEART FOR HEALTH CARE-2019

*Dr. Eve Bargmann (Center) received the 2019 Anne Russell Gwynn Humanitarian Award. Dorren Brown- Executive Director left and Dr. Merrick, (Right), presented the award.*

**February 9, 2019**– February was very good to us, as the weather for our annual signature fundraiser was cold but clear!

“Share Your Heart for Health Care” Winter Gala to benefit the Orange County Free Clinic, was held at the beautiful Inn at Willow Grove with about 107 guests in attendance!

Dr. Eve Bargmann graciously accepted the Anne Russell Gwynn Humanitarian Award, saying that the Clinic existed because of “each and everyone in attendance”, referring to loyal supporters of the Clinic. The evening gave guests the opportunity to visit and enjoy the evening that, as one guest noted, “overflowed with goodwill and happiness”!

All proceeds go to the operation of the Clinic...programs and services to low income and uninsured residents. The event raised over \$57,000 (net), a new all time high in large part due to the live auction items including vacation homes in Maui, Abaco Bahamas, Smith Mtn Lake and so much more!!

***Thanks to everyone for another very successful event!***

*Guests enjoy evenings events including a silent and live auction!*

*Dorren Brown with guest Eileen Hargett*

## ***Up for a Challenge?***

When the Clinic was organized, the founders determined and have remained steadfast that OCFC should be a community based care giver and remain “free” to those who need health care! We remain dependent on the generosity of our local community and individuals! So thank you for that!

## ***Now...***

**2019** has presented another opportunity to accept a challenge! Individual donors have pledged to donate \$5000 for 5 years and challenge others to support the Clinic with their pledge to donate the same! \$5K for 5 years!

This is a critical opportunity to ensure that health care programs and services are reaching and available to disadvantaged residents in Orange County!

***You can make a difference*** by making OCFC your charity of choice! Your support to the Orange County Free Clinic can save a life ...

***Call us today and a pledge card will be sent to you.***

***As a 501 c 3 non-profit organization, your donations are tax deductible!***
